25TH Anniversary 15.99

Flavor Profile: The K by Karen Berger

25th Anniversary was created to celebrate a quarter of a century of fine cigar crafting by Karen Berger and her late husband Don Kiki. Once lit, it offers a full-bodied smoking experience with a rich complexity. The feet feature various aromas, including strong black pepper, sourdough bread, generic nuttiness, earth, cinnamon and sweet raisins. Finally, after a v-cut the cold draws bring flavors of gritty earth, black pepper, nutmeg, toasted bread, almonds, hay, cocoa nibs and light raisin sweetness.
